3 bedroom villa with contemporary architecture

Fantastic 3 bedroom villa with contemporary and minimalist architecture and ecological construction with energy efficiency in mind.

On the ground floor, you will find 2 bedrooms and 1 en suite. The kitchen has a central island and is in an open space combined with the living area, perfect for entertaining.

Downstairs, you will find another large and spacious bedroom with direct access to the Finnish, Infinity swimming pool, laundry area, storage area, and a bathroom with a shower.

Outside you will find a natural garden with centuries-old trees and native plants and several fruit trees, an area for realising a biological vegetable garden.
