Fantastic Villa 4 Montenegro, with a unique view

Project under development, in Montenegro, of luxury villas with high energy standards, with a swimming pool, heat pump with A/C, and a fantastic view over the Ria Formosa.

The villa offers a basement, ground floor, 1st floor, and terrace for leisure time, with fantastic views over the Ria Formosa.
On the ground floor, you will find the fully equipped kitchen with a living room with the possibility of including a fireplace/heat recovery, in an open space, with very generous areas. Still, on the same floor, you will find a bedroom, 1 bathroom with underfloor heating with shower with areas prepared to think in case of special needs.
In terms of equipment, you can count on luxury finishes, such as electric shutters, air conditioning, and a fully equipped kitchen.
On the 1st floor, you will find 3 fantastic en suite bedrooms, with underfloor heating in all bathrooms.
