All rooms have access to terraces, and the south-facing rooms share a large terrace with a view of the countryside and sea.

A spacious living and dining room with a fireplace and a snooker table are located on the ground floor enjoying lots of natural light and access to the pool area and BBQ. There is a further suite on the ground level and another bedroom which is currently used as an independent annex with its own entrance. The large fitted kitchen is aptly flanked with a large pantry and utility room and leads out to the garden area and BBQ.

Running along the rear of the house facing the coast is a spectacular covered terrace area. The 10m x 5m pool is surrounded by ample space, perfect for relaxing on the sun loungers, and a lawn area behind various fruit trees really makes the area complete.
