Sta. Maria - Apartments & Lifestyle, Lagos

"Santa Maria" project is a clear example of a compromise between the creation of an architectural complex with a high standard of quality.

The generous and comfortable, contemporary-designed apartments extend over large, private terraces with dominant views. The pool, green areas and other supports, enrich the experience in this venture, located in a region of mild climate.

Located in the highest area of the city, the development 'Sta. Maria - Apartments & Lifestyle' stands out from the others for very modern and bold architecture, as well as for the excellent quality of which it is intended to equip all its properties.

Sta Maria" is the perfect place for those who want to stay close to everything: 1100 meters from the marina, 900 meters from the city's downtown area, and just a 15-minute walk from the beach, its location is exceptional for any activity, allowing you to enjoy the best of what the city has to offer.
